Researcher (Principal Investigator)

Registration & data request

Step1: Go to RGR website. Fill out a request online form and submit it to initiate the data request.

Step2: Sign the Non-Disclosure and Data Use Agreement (NDA/DUA)

- AHA RGR staff contact investigator to fill out NDA/DUA details.
- The filled NDA/DUA form will be sent out to the investigator via AHA's esign system.
- Sign the NDA/DUA form.

Step3: Provide an instruction page to help them create an account on AHA PMP

- Login to the PMP and go to the Explore & Request page to click on the RGR dataset and request the dataset and workspace.

Get access to the RGR data on PMP and start data exploration
