

Casting Call Locations

This February, Go Red For Women® invites you to tell us how you speak up against heart disease. Women who share their stories have the chance to become spokeswomen for the cause – representing Go Red For Women on our Web site, in our marketing materials, at events and possibly in our upcoming NBC television special.

Written stories will be accepted for the casting call online at GoRedForWomen.org between Jan 15 – Feb 26, 2010 or you can attend a casting call event.
