

**American
Heart
Association®**

Congratulations to the 2021 Workplace Health Achievement Recognized Organizations

The Workplace Health Achievement Index was called for and tested by the American Heart Association's [CEO Roundtable](#) to provide employers with best practices to evaluate the quality and effectiveness of workplace health programs. These organizations serve as a **leadership collaborative and learning laboratory environment** to improve employee health and well-being in companies across the nation using evidence-based approaches.

CEO Roundtable member organizations include:
