

American Heart Association®

Check. Change. Control.
Cholesterol™

The American Heart Association is pleased to recognize these organizations for their commitment in improving the health of their patients through high quality Cholesterol and Atherosclerotic Cardiovascular Disease (ASCVD) Risk Factor Management with the ultimate goal of reducing death and disability in the number of Americans who have heart attacks and strokes.

Innovator Organizations

This select group of organizations have committed to an intensive Cholesterol and ASCVD Risk Factor Management program aimed at creating innovation and best practices amongst providers.

St. Elizabeth Healthcare

University of Colorado - Denver,
Division of General Internal Medicine

PPG Healthcare

Gold Award

Recognizes organizations that have fulfilled the Participation Award criteria AND have 70% or more of their adult, at-risk ASCVD patient population appropriately managed with Statin therapy based on MIPS measure #438 in 2018.
