

Deliciously Smart Swaps

Swap mayonnaise for low-fat/fat-free and no-sugar-added Greek yogurt to swap saturated fat for protein and calcium in dressings. Swap beans for half of the meat to swap saturated fat for protein and fiber in chili.

Try these healthy, delicious swaps:

Low-fat/Fat-free Greek Yogurt

instead of **sour cream** on baked potatoes – cool, tangy, and packed with protein and calcium

Nuts

instead of **chips** for a snack – savory and satisfying, with protein, healthy fats and fiber

Low-fat/Fat-free Greek Yogurt

instead of **heavy cream** in soups – rich and creamy, with less saturated fat

Quinoa

instead of **white rice** on the plate – a flavor adventure, packed with fiber, protein, B vitamins and minerals
